PROFESSIONAL SUMMARY

Backend developer focused on building robust, scalable server-side applications using Java and Spring Boot. Proficient in designing RESTful APIs, optimizing MySQL queries, and implementing complex business logic. Strong grasp of data structures, OOP principles and version control with Git.

PROJECTS

Mediwise | PYTHON, DJANGO, HTML, CSS, MYSQL, MACHINE LEARNING

- Developed a full-stack healthcare platform that bridges the gap between diagnosis and treatment
- Engineered an AI-driven NLP pipeline to automate symptom analysis, reducing manual lab report summarization time by **35%**.
- Integrated real-time pharmacy inventory and doctor scheduling.

Evento | PHP, HTML, CSS, JAVASCRIPT, MySQL

- Engineered a comprehensive, web-based management platform to streamline the lifecycle of college fests.
- Implemented critical backend architecture to support secure user registration and centralized event management.
- Integrated payment processing workflows to streamline transaction security and lifecycle management.

Cast Me In | SPRINGBOOT, JAVA, HTML, CSS, JAVASCRIPT, MYSQL

- Developed a robust web platform connecting creative talent with casting professionals.
- Architected the core Backend Talent Search Engine module using Spring Boot to handle queries.
- Designed and optimized backend filtering logic, improving data retrieval efficiency by 20%.

EDUCATION

- **Master of Computer Applications (MCA)** : De Paul Institute of Science & Technology (DiST), Angamaly | 2024-2026 | CGPA: 8.34
- **Bachelor of Computer Applications(BCA)**: Naipunnya Institute of Management and Information Technology (NIMIT), Pongam | 2021-2024 | CGPA: 8.1

KEY SKILLS

- **Languages**: JAVA, PYTHON, PHP, JAVASCRIPT, C, HTML/CSS
- **Frameworks**: SPRINGBOOT, DJANGO
- **Databases**: MYSQL, MONGODB
- **Core Concepts**: DSA, OOP PRINCIPLES, MACHINE LEARNING, AGILE METHODOLOGIES

CERTIFICATIONS

- **Programming in Python** : NPTEL
- **Full Stack Java** : Archon Solutions
- **Full Stack Java** : STED
- **SQL and Relational Database**: Cognitive Class

PROFESSIONAL SKILLS

- **Soft Skills**: Collaborative, Results Oriented, Self Disciplined, Industrious
- **Languages Known**: English, Malayalam, Hindi
